LEARNING TECHNOLOGIES USER RIGHTS AND RESPONSIBILITY AGREEMENT

Documentation relating to the agreements being signed below can be found on the Hallett Cove School website. ('Curriculum' menu ~ 'One to One Learning' tab). The two documents referred to in this Agreement are the:

- *Cyber-Safe Guidelines*
- *One-to-One Program Handbook*

We understand and accept the responsibilities outlined in this *Learning Technologies User Rights and Responsibilities Agreement* between the Student/Caregiver and the school. This agreement remains valid and in place for the duration of my child's enrolment at the school, as outlined in the *One-To-One Program Handbook*.

I understand that I am responsible for the cost of any repairs or replacement of any device issued under the One-To-One Program, where the loss or damage has been caused by some negligence, abuse or malicious act by my child and that failure to sign the form means my child cannot participate in the One-To-One Program.

I acknowledge that I have read and understand the *Cyber-Safe Guidelines* and am aware of the initiatives the school has in place to maintain a Cyber-Safe working environment as presented in the *Cyber-Safe Guidelines*.

Use of school supplied software

At Hallett Cove School, we are committed to providing our students with a diverse and engaging curriculum that utilises various educational apps to enhance their learning experience. We believe that these apps are an effective way to help students develop their skills and achieve their academic goals.

It is important to note that some of these educational apps may collect certain information, such as user names, passwords, usage data, and other data. However, we assure you that all apps we use have a clear educational focus and have been carefully selected to align with our educational goals.

We take student privacy seriously, and we have implemented various measures to ensure that all student data is collected and used in accordance with applicable privacy laws and regulations. If you have any concerns about the use of these apps or the collection of student data, please do not hesitate to contact our IT services department.

For the Parent/Caregiver, my responsibilities include:

Reading this *Cyber-Safe Guidelines* carefully and discussing it with my child so we both have a clear understanding of our roles in the school's work to maintain a Cyber-Safe environment.

- encouraging my child to follow the *Cyber-Safe Guidelines*.
- understand that my child is responsible for breaches caused by them allowing any other person to use their e-learning account to access internet and online communication services.
- understand my child is accountable for the misuse of internet and online communication services that may result in behavioural consequences. This may include, but is not limited to, the withdrawal of access to services, suspension, exclusion and possible police involvement.
- ensuring this Agreement is signed by my child, myself and returned to the school.
- contacting the school if there is any aspect of this Agreement I would like to discuss.
- understanding that failure to sign the form means a child cannot use the computer system.
- supporting my child to charge their device nightly.

Thank you for your continued support in our efforts to provide the best possible educational experience for your child.
